SIGN UP FOR DEBT PROTECTION

If you're thinking of getting a loan or recently obtained a loan, debt protection can provide peace of mind for unexpected events.

"After being laid off during the COVID-19 pandemic, I worried how I would pay my bills while waiting for my unemployment check. I'm so grateful I was enrolled in Hawaii Central's debt protection program. Now my loan is being paid and I feel relieved knowing my loan is taken care of." - Susan B.

Members enrolled in debt protection may be eligible for benefits if you're experiencing financial issues due to a protected loss, such as disability or involuntary unemployment. Benefits may include cancelling your monthly payment or loan balance. Call us for more information about Debt Protection.
